Internet Worksheet

1) What are two things you can do on the Internet?

a)

b)

2) Please circle the two sentences that are true:

Hyperlinks are little aliens that are set to take over the word.

If you move your mouse over a hyperlink your cursor will change from an arrow to a hand.

A hyperlink is usually a different color from the rest of the text, often blue, and is usually underlined.

Hyperlinks are just like other links. They just can't manage to hold still in class.

3) What happens when you click on the "Back" button?

4) What do the three W's stand for in "www"?

W-

W-

W-

5) What is an image map and where can you find one on Desert Survivors Online?

6) Please answer the following questions regarding this site:

- A. How many episodes of Desert Survivor are there?
- B. How many Desert Survivors can fly? Which ones are they?
- C. What are the Hosts' names?
- D. How many places are listed in the Day trip page?
- E. On which pages are hyperlinks yellow instead of blue?
- F. What is parthenogenesis?
- G. Who is Nancy Hadlock?
- H. Name a Desert Survivors "expert" that is an ecologist.
- I. What can live in water that is over 100 degrees Celsius?
- J. Where is the Mojave Desert?
- K. What is the difference between frogs and toads?
